

“The World Is Yours – The Anthology 1968-1976” è un cofanetto di 4 CD che traccia la storia dei CARAVAN, i maggiori rappresentanti del Canterbury Sound britannico, veri originatori di quel particolare suono in bilico tra Psychedelic Rock, Jazz, Folk e Progressive. Il periodo preso in considerazione è quello “classico”, gli anni tra il 1968 e il 1976, con brani scelti dai sette album in studio e dal live “Caravan & The New Symphonia”; inoltre tracce da BBC Sessions, rari demos e inediti come “The Love In Your Eye” e “Any Advance On Carpet?”, due canzoni ricercatissime dai fan della band tratte da registrazioni dei primi anni settanta. I CARAVAN sono uno dei gruppi di maggior successo del catalogo Universal e i due album “If I Could Do It All Over Again” e “In The Land Of Grey And Pink” sono autentici best-seller. Il booklet include rare foto e ampie note dello specialista Mark Powell che ripercorre storia e discografia della band.

CD in vendita da Disco Club a partire da venerdì 19/03/2010 al prezzo di 38,90 €
