'Psychedelic Pill' is Young's first album of all new material with Crazy Horse since 2003 and will feature the full Crazy Horse line-up of Billy Talbot, Ralph Molina and Frank Sampedro. The album opens with a song called 'Driftin' Back', which almost 28 minutes long. The album was recorded straight after the band finished their 'Americana' sessions at the Audio Casa Blanca studios. The album will be available on double CD and triple vinyl and full-length videos for each of the LP's tracks will be previewed online.
