Domenica 26 Luglio 2026 18:54 -

Commemorating the 50th anniversary of one of the most seminal concerts in KISSStory – on August 20, 1976, KISS performed in front of their largest audience to date – 42,000+ fans – at Anaheim Stadium. Originally recorded by Eddie Kramer on that KISSStoric night, Eddie has newly mixed this concert from the original multi-track tapes! The 60+ minute concert is featured on 1-CD with a booklet featuring liner note highlights from the Deluxe version, unreleased photos & memorabilia imagery.
