The graphic features a central vinyl record with a stylized illustration of a coastal town on its surface. The record is set against a blue background with wavy lines representing water. Two small white sailboats are positioned on either side of the record. To the right, a list of dates and artist names is displayed in white and blue text. Two red circular callouts are also present: one with the text 'INGRESSO GRATUITO' and another with 'UNICA DATA IN ITALIA'.
