

I due CD raccolgono le incisioni inedite registrate dalla band britannica in vari programmi radiofonici della BBC in studio (VOL.ONE, singolo CD) e dal vivo (VOL.TWO, doppio CD) tra la fine degli anni '60 e la prima metà degli anni '70.

VOL. ONE – IN SESSION: dopo aver fatto parte della scena underground dei Folk Club negli anni '60, gli STRAWBS furono una delle prime band ad abbracciare il PROGRESSIVE ROCK. Il CD contiene le registrazioni delle loro esibizioni a vari programmi della BBC: Top Gear (1968), BBC Sessions (1969), Sounds Of The Seventies (1971 e 1972) e BBS Session Sequence (1973)

“LIVE AT THE BBC VOL. TWO – IN CONCERT”: raccoglie invece le esibizioni dal vivo trasmesse dalla BBC: BBC In Concert (1971), Paris Theatre (1973) e Golders Green Hippodrome (1974). **VOL. TWO – IN CONCERT**

CD in vendita da Disco Club a partire da martedì 26 ottobre 2010 al prezzo di 10,90 € il singolo - 16,90 € il doppio
