3CD Box Set in uscita il 24 aprile a 39.90€

A gathering of classic, prog and art rock superstars recreating Pink Floyd's ambitious 1977 album 'Animals' and their 1979 art rock opera masterpiece, 'The Wall'.

Follow up to the successful 'Shining On - Pink Floyd Tribute Collection'.

Featuring 23 exclusive tracks that complete this extraordinary and ambitious tribute to one of rock's best loved bands and their albums.

3CD clamshell box including performances by jazz-rock guitar legend Al Di Meola, psych-rock Godfather Arthur Brown, drum master Billy Cobham, UFO's Vinnie Moore, Bauhaus's David J, Dream Theater's James LaBrie, Rainbow's Graham Bonnet, Adrian Belew (King Crimson), Keith Emerson (ELP), Robby Krieger (The Doors), Ian Anderson (Jethro Tull), Rick Wakeman and Steve Howe (Yes) plus award-winning actor Malcolm McDowell and many more!

Each track of this groundbreaking work has been completely re-imagined with modern production flourishes and tasteful musical additions while staying true to the original album's heady and subtly complex composition!

Among the truly die-hard Floyd fans, these albums are considered two of the group's best, a perfect marriage of Waters and Gilmour's contrasting talents!
